

Craig is entering his second year as President of the Edmonton Huskies Football Club, fourth on the Board of Directors and fourteenth with the club. Craig was an All-Canadian Defensive Lineman with the Huskies from 1989 to 1993 and was voted the team's MVP in 1993; a feat he duplicated with the Golden Bears in 1997. As a National Championship winning coach from 2000 to 2004, Craig prepared many of his players for success in the CIS. He has been instrumental in creating the Arlene Huhn Scholarship at NAIT and organizing the Warren Moon/Bryan Kelly Fundraiser Dinner in June of 2007. Craig keeps a hectic schedule juggling the demands of career, family and football but feels compelled to provide opportunity for young men to play junior football.
