

Having risen all the way through the Huskies Bantam Football ranks Mike culminated his first career with the organization as the General Manager of the team in the mid and late 1960's. Due to his involvement with Olympic wrestling he took an extended leave of absence. Inducted into the Alberta Sports Hall of Fame and the Canadian Wrestling Hall of Fame, Mike has also won the 1980 Canadian Amateur Sports Official of the Year and been chosen Canada's Wrestling Administrator of the Year for 1982. After retiring from wrestling Mike returned to his first love, football and to the organization we all support.
